They'll Talk Your Ear Off About Their Symptoms p 162

** For Best Results, Lil'Man, you will read as much as you can about each Tool in our Toolbox before you decide which one is best-suited to your own particular symptoms. For some symptoms, there is more than one Health Concerns™ Formula listed. The "Therapeutic Actions" are what we would call symptoms, and the more of them which apply to you, the more helpful that formula may be; however, you do not need to have all the symptoms listed for that Formula to be appropriate.*
