

This is nothing more than a letter to my grandson (based upon Proverbs 13:22) and family. None of this information has been scientifically or medically evaluated or documented and mustn't be viewed as diagnostic, prescriptive, curative or even therapeutic; rather as gossip, rumors, myths, provided to educate my family. Our experiences and methods may not be similar to others' and cannot be regarded as a model or protocol. No one can claim, promise, guarantee, predict or even compare results or lack thereof. Any individual choosing this information for self-care accepts all results or lack thereof with forethought. If copies are made, I claim no responsibility for their use; all copyright and trademark laws apply. For details, pastoral counseling, a complimentary preview, or private consultation, please
